The diagram is a detailed architectural floor plan of a building. The plan is symmetrical about a central vertical axis. On the left side, a large rectangular area is highlighted in orange. This area contains several internal walls and doorways, suggesting a complex internal layout. To the right of this orange area, the plan shows a series of rooms and corridors. Two red circles are drawn on the plan, one on the left and one on the right, each centered over a set of stairs. The stairs are depicted with a standard architectural symbol: a square with an 'X' inside. The plan also shows various doorways, windows, and structural elements like walls and columns. The overall layout suggests a multi-story building with a central corridor system and multiple stairwells.

④	mq. 111,41
⑤	mq. 189,90

Architectural floor plan of a 121.74 sqm apartment. The plan includes a living and dining area (pranzo soggiorno, 25.25 sqm), a kitchen (cucina, 11.57 sqm), two bedrooms (letto, 14.70 sqm each), two bathrooms (bagno, 5.70 and 4.35 sqm), and a large balcony (balcone, 16.87 sqm). Dimensions are provided for various sections, and a compass rose indicates North.
